General and Revenue Departments.

Sir,

In forwarding herewith the travelling allowance bill of the Excise establishment of the Goribidnur Range for the month of December 1913 amounting to Rs 105-12-7 I have the honor to invite your attention to the circumstance that with a view to obtain some practical knowledge and first-hand experience regarding the details of the cultivation of the Ganja plant and the subsequent process of curing as practised in Duggapad and Santavarur in Madras Presidency Excise Inspector A Krishnamurthi Rao and Assistant Inspector Sunde Rao of Goribidnur Range were deputed with six local cultivators to study the methods in vogue at these places

2 It was considered that the result of their deputation wou be of benefit to our State inasmuch as it meant an acquisition of knowledge, with the minimum amount of expenditure in both time and money, in the matter of the Ganja industry which, though of compara -tively recent growth here yet promises to be quite a thriving one

3. In expressing regret for the omission that has happened i not obtaining the previous approval of Government to this deputatio I request that you will be so good as to obtain the sanction of Gov -ment to the deputation and the admission of the claims in question with reference to it.
